

The Christmas holidays are almost here and the kids are excited! December is passing quickly with lots of learning happening in classrooms and many new friendships developing between peers. Students have been busy making seasonal crafts and recovering from bouts of the flu and colds that have been circulating in our community.

We are thankful for our dedicated PAC and the support they have provided by making a delicious Christmas lunch for all staff and students (barbequed hamburgers, veggies, chips, drinks & ice cream sundaes) last Thursday. They also gave each student a goody bag to take home. Thank-you from all of us for your generosity and volunteerism!

We celebrated a winter concert in style yesterday with our music teacher, Mr. Moore, leading the show on the piano. It was wonderful to see the kids dressing up for their performances and singing with heart and soul to an appreciative audience of over 200 people!

The staff and I at Barlow Creek Elementary wish you and your families a wonderful, safe holiday season and cherished time with loved ones.

Happy holidays!

Sincerely,

Ms. Diane Smith, Principal
